

“QUALITY POLICY”

Welspun Middle East Pipe LLC, Dammam, KSA aims to maintain its leadership position by embedding the highest Standards of Quality Management System in each segment of Welded Steel Pipes (SAWH), with or without Jointers, by using a Process & risk based approach.

- We are committed to:
 - Quality; complying with the requirements of applicable National & International Standards / specification and continual improvement of the effectiveness of Quality Management System.
 - Understand and consistently satisfying the needs & expectations of our Customers including applicable statutory and regulatory requirements.
 - Have transparency to our Customers and their representatives towards our Quality Systems, Processes and Practices.
 - Perform things right the first time, every time.
 - Promote the use of the Process and risk based approach.
 - Provide communication for the implementation of effective Quality Management System and conformance to the Quality Management System & product requirements to all our employees.
 - Up gradation of the Technology used in manufacturing, Inspection & Testing facility through Innovation.
 - Ensure that all levels of our management team are held accountable for preventing problems, constantly seeking opportunities for continual improvement, and effectively implementing this policy.
 - Ensure that the integrity of Quality Management System is maintained when changes to the Quality management system are planned & implemented.
 - Ensure the integration of the Quality Management System requirements into the Organization’s business process.
 - Ensure that the resources needed for the Quality Management System are available.
 - Provide trainings for the development of our employees.
- This Policy shall be periodically reviewed to ensure that it is appropriate to Welspun Middle East Pipe LLC, Dammam, KSA and is basis for development of Quality Objectives.
- This Policy shall be understood & communicated to all the employees of Dammam Plant and shall be available to relevant interested Parties.
